

# ALL ABOUT WIVES

Not my personal opinion. This is what the world thinks.....

Subject : Definition of Wife

My wife and I were happy for 20 years.  
Then we met.

The secret of a happy marriage remains a secret.

A good wife always forgives her husband when she is wrong.

Man is incomplete unless he is married, then he is finished.

A woman was telling her friend, "I made my husband a millionaire"

"And what was he before you married him ?" asked the friend.

"A billionaire", she replied.

A successful man is one who makes more money thkn his wife can spend.

A successful woman is one who can find such a man.

How do most men define marriage ?

An expensive way to get your laundry done.
